ADAMS FUNERAL HERE THURSDAY

The funeral service for Dr. Allen K. Adams, of Auxvasse, who died at his home Wednesday of pneumonia following an attack of Spanish influenza, was held at 1 o'clock at the Elmwood cemetery. The body arrived in Mexico on the noon train, accompanied by the pall bearers from Auxvasse. The Rev. S. J. Wood, of Auxvasse, was in charge of the services.

Dr. Adams, who was a dentist at Auxvasse, lacked three days of being 36 years old. He was born in Audrain county, near Vandalia. Sixteen years ago he married Miss Mary Minor, who died of pneumonia Sunday. They moved to Auxvasse fourteen years ago, where they have resided ever since.

Dr. Adams is survived by his parents, Mr. and Mrs. George Adams, a son, George Francis Adams, thirteen years old, and six brothers, Jimmie, George, William, Homer, Walter and Owen Adams. Dr. Adams was a conscientious member of the Presbyterian Church.

The small son, David Francis, will make his home with his uncle, Walter Adams here. The body of Mrs. Adams will be moved to Elmwood soon from Farber, where it was buried, and placed beside that of Dr. Adams.

Dr. Adams was a high-spirited, splendid young man, universally popular and his death will be widely mourned.

The Ledger joins the friends of the family in expressing its sincerest sympathy to the bereaved relatives in the loss of so fine a son, brother, and father.

VAUGHN IN BIG BATTLE
Carter Vaughn, former city editor of the Ledger, writes his mother, Mrs. Baxter Vaughn, of Paris, Mo., the following letter:

FRANCE, Sept. 26.

If you could see this place and the position I am in, I believe you'd have a big hearty laugh. I am using my helmet for a chair because it is the driest thing around here, and I'm sitting in the entrance of my dugout, which holds two and is nearly rain-proof. It has been a long time since I wrote, and I have wished many times that I could just drop you a line even.

Born to Mr. and Mrs. Henry John. D. M. Lela Mitchell is visiting Mrs. son, 222 Coff street, an 8-pound girl. Thursday.

so you'd know I am still on the job. You probably have learned from the papers by this time why I haven't had time to write for so long. The European edition of the New York Herald gave our division some very favorable mention in connection with the drive, so I suppose the U. S. papers have told you we were in it. I like to tell you all about it—that is, our part of it—but I suppose I can't tell you all about it. The worst part of it all was the rain. We have been in the front for more than three weeks without even getting to wash up good, and we are kept for relief. It has rained nearly every day since we have been up and the mud is fierce. Everything I owned except my safety razor and what I wore was "lost in action." So the nights are rather chilly. I am glad to state though that I am enjoying myself very much, everything considered. All the boys from home that I have heard from are all O. K. Talk about the thrill that comes once in a lifetime! But I mustn't say any more about it now—except to admit that I was scared stiff when it first started. I didn't get a chance to get anything home because I can't be bothered with lugging anything around with me. Some of the fellows got German revolvers, iron crosses, "Got Mit Uns" belts and everything imaginable. I didn't get a chance to get anything home, but may yet. At present I am not with my company. Am detached as a flank runner, with the

COLUMBIA, Mo., Oct. 25.—(Special to the Ledger.) Mexico has the best price interpreting committee in the State. This is the opinion of W. B. Nowell, Jr., of the Missouri Division of the Food Administration who has charge of price publication.

The fair price lists of the Mexico committee are carefully compiled," said Mr. Nowell today. "The retail prices are based on fair margins of profit. The prices are absolutely right in everything. Maj. J. C. Strook, food administrator for Audrain county, and the fair price committee are congratulated for their excellent work."

IT IS THE HOPE OF THE MISSOURI FOOD ADMINISTRATION to have fair price committees in every section of the State. Wherever fair price lists are published they have proved beneficial both to the dealer and the consumer.

"The housewife should watch the fair price list as closely as a fan watches a baseball scoreboard in the summer time," said Mr. Nowell.

The Mexico price committee is frequently referred to by Mr. Nowell in his work of establishing other committees as a model.

YOUR OLD SHOES ARE WORTH MORE

OLD SHOES ARE BETTER THAN SOME NEW ONES

Pittsburg, Pa., July 25.—"Repair your old shoes. What you have in your closets contain better leather than the manufacturer can supply you in the new shoes you intend to buy," W. S. Anderson of New York, said recently. "That is the only way to convert leather for Uncle Sam."

He said the United States is the only country in the world which has a supply of leather. "The demand from all points of the globe on the American supply imposes the necessity of repairing old shoes," he said.

This article shows the leather situation as it really exists today and we advise you to have your winter shoes repaired NOW. We have first quality leather on hand and will repair your shoes at the present prices and hold them until you need them.

It is going to be impossible to buy some of the better grades of leather as the Government is taking the entire output. All leather has advanced in price and we are going to be compelled to raise our prices within a short time.
